TAKE THE TIME TO FIND THE ANSWERS

Who are you? What do you want out of life? If you don't know who you are and what you really want, how do you know where you are going? If you want to know what inspires you and find the joy in discovering your purpose, then join Alice for this time of awakening. Your life is yours to live as you are inspired to live it. These days, many people are bogged down with multiple challenges and the day-to-day grind, and are not living an inspired life. Is this you? Perhaps you've wanted the answers to some of the questions above, but just didn't know where to begin.

It's never too late to find inspiration in your own life. Join Alice for her first **"It's all About YOU!" Life Planning Workshop** and receive the direction, guidance and incentive to develop a blueprint for the life you desire. This amazing workshop will show you how to:

- Create a Purpose Statement
- Organize and prioritize steps to take
