

# how to find us

address: **320 Ward Avenue, Suite 101**

## **Alice's consultation office:**

The office is inside a business called: **The Private Gym**

The building is across the street from the Sports Authority area. If you stand at Picture's Plus (located next to Sports Authority) and look across the street you will see the 320 Ward building and **Supercuts** on the ground floor next to a sign shop called **Signs by DEY**. The location is kitty-corner from Ward Warehouse.

## **Parking:**

***Park in the lot that fronts Supercuts.*** There is quite a bit of visitor parking, however, make sure you park in a stall marked "Visitor". If it is full, we are also authorized to use the parking lot next door where the Kramer's Big & Tall store is. Last case scenario is parking at Sports Authority and walking across the street.

When you enter the complex from the parking lot, you will see a tenant directory. Turn left and go to the end and that is Suite 101. You will see Alice's name on the door below the sign that says The Private Gym.

Please knock and someone will let you in, or you can wait on the bench outside by the directory and Alice will come out and get you for your appointment at your specified time.

## **When you enter The Private Gym:**

Enter The Private Gym and immediately to the right you will see a waiting area with two chairs. Have a seat and Alice will be right out if she is not finished with the person before you.

If Alice is in a reading right before you, she will not answer her phone. If you must reach her because you can't find the location, or for another emergency, call The Private Gym's line at 596-WARD (**596-9273**) and they can help you get a message to her. If you are late, Alice may have another appointment right after yours so your appointment will end at the time scheduled.
